

# Enhance Social Enterprise

Heart of the South West  
Enhance Social Enterprise

Leadership at a national level has come under great scrutiny in recent months, but what makes a good leader, and what are the challenges to good leadership, particularly in a social enterprise?

This workshop will explore some of the issues around leading strategic development, managing and leading teams, and leading during transition within an organisation. It will draw on social enterprise case studies, best practise and the latest thinking about leadership, and provide some useful tools and tips for those in leadership roles.

At: **Genesis, 237 Union St,  
Plymouth, PL1 1RJ**

**Wed 5th July:  
1.15pm - 4.30pm**

**Better Leaders  
=  
Better Business!**

**Enhance Social Enterprise** is a business support programme for Social Enterprise and Social Entrepreneurs in Devon, Somerset, Plymouth and Torbay. It is funded by the European Regional Development Fund and local partners.

Book online at [Eventbrite](#) or call Helen on: 01404 548 405
